For printed or handwritten texts on almost all types of paper.

PROPERTIES

· Easy and precise to use like a highlighter
· Can be written on immediately – no drying time
· Suitable for all types of paper
· Solvent free
· With soft grip for a convenient correction
· Tape 10.0m x 4.2mm
· With integrated tape tightening screw
· Packaging >85% recycled cardboard

APPLICATION

Directions for use:
Place the roller on the position you want to correct and pull it sidewards while you press down gently. Can be written on immediately. A loose tape can be retightened by adjusting the tape tightening screw. Ideal for right-handed - and left-handed people to use.
Stains/residue: Correction tape can be removed from smooth surfaces, when dry, preferably with mechanical action using a blade or spatula.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product.
