

UHU® PATAFIX DECO

32 STRONG, REMOVABLE AND REUSABLE GLUE PADS

PRODUCT DESCRIPTION

UHU patafix deco – the strong and clever helper for your decorations! Strong, removable and reusable glue pads for affixing all kinds of decoration accessories of up to 2kg (in optimum application conditions). The kneadable bulk fills hollow spaces and thus also adapts perfectly to uneven surfaces. Dermatologically tested.*

*UHU patafix deco achieved the result "VERY GOOD" in dermatological tests carried out by the independent institute dermatest®.

FIELD OF APPLICATION

Affix decorations and accessories of all kinds weighing up to 2kg on various surfaces. The kneadable bulk fills hollow spaces and thus also adapts perfectly to uneven surfaces. The maximum load of 2kg is achieved under optimal conditions, i.e. flat objects (depth < 1cm) on smooth and solid surfaces, using a minimum of 6 pads at room temperature (see user instructions). Not suitable for delicate materials or surfaces. Do not use on recently painted areas and wallpaper. Try on small sample first.

PROPERTIES

- Strong, removable and reusable
- For affixing of decorations and accessories
- Dermatologically tested
- Made in Germany

PREPARATION

Personal safety: Keep away from children: Danger of confusion with chewing gum.

Surface requirements: Bonding surfaces must be clean, dry and free of oil, grease and dust.

APPLICATION

Coverage: silicon- treated paper, film

Directions for use:

1) Pull off a glue pad and 2) Knead until soft. 3) Distribute evenly (every 5-10 cm, depending on size of object to be fixed). 4) Fix item in place by pressing firmly to the surface to which you want to attach it. 5) To remove, carefully detach the object by applying light rotational motion or by pulling it off from surface. To reuse: repeat from 2).

Stains/residue: Possible residue can be removed by dabbing with another glue pad. UHU patafix may leave a greasy mark on absorbent surfaces; this can usually be removed with benzene.

TECHNICAL SPECIFICATIONS
