### PRODUCT DESCRIPTION

UHU patafix TRANSPARENT – the clever alternative to pins, tape and thumbtacks! UHU patafix TRANSPARENT are transparent double-sided glue pads for a quick and clean fixation of small items such as photos, posters, postcards ... to various surfaces. UHU patafix TRANSPARENT is absolutely invisible on glass surfaces and beneath transparent objects. Removable from most smooth surfaces without leaving a trace.

### FIELD OF APPLICATION

Double-sided glue pads for a quick and clean fixation of small items to various surfaces like doors, windows or furniture. Also ideal for collages, window stickers, glass tealights, greeting cards, photo albums etc. Not suitable for delicate materials or surfaces. Do not use on recently painted areas and wallpaper. Try on small sample first.

### PROPERTIES

- Transparent
- Quick and clean fixation
- Invisible on glass
- Removable from most smooth surfaces

### PREPARATION

**Surface requirements:** The areas to be glued must be dry and free of any dust or grease.

### APPLICATION

**Coverage:** transparent film

Note: This information is the result of carefully executed tests. This Technical Data Sheet has been prepared to the best of our knowledge to provide you with advice when gluing. We cannot be held responsible for the results or any damage suffered, as the variety of factors involved (type and combination of materials and working method) are beyond our control. Users have to carry out their own checks and trials. Liability can only be accepted for the consistently high quality of our product.
