

CORRECTION COMPACT ROLLER

FOR FAST, CLEAN AND PRECISE CORRECTION

PRODUCT DESCRIPTION

Correction Roller Compact. For fast, clean and precise correction of printed or handwritten texts. Suitable for almost all types of paper. Can be written on immediately, no drying time and solvent free. With integrated cap for tape protection and self standing support, tape level control and tape tightening screw. The tape length is 10.0m, the tape width is 5.0mm. The roller (housing) consists of 100 % recycled plastic and the packaging is made of more than 85 % recycled cardboard.

FIELD OF APPLICATION

For printed or handwritten texts on almost all types of paper.

PROPERTIES

- For fast and precise correction of printed or handwritten texts
- Can be written on immediately – no drying time
- Suitable for almost all types of paper
- Solvent free
- Roller (housing): 100 % recycled plastic
- With integrated cap for tape protection and self standing support
- Tape 10.0m x 5.0mm
- With tape level control and tape tightening screw
- Packaging >85 % recycled cardboard

APPLICATION

Directions for use:

Open the integrated cap, place the roller on the position you want to correct and pull it backwards while you press down gently. Can be written on immediately. A loose tape can be retightened by adjusting the tape tightening screw. Close protection cap after use. Can be used at almost any angle, making it also ideal for left-handed people to use.

Stains/residue: Correction tape can be removed from smooth surfaces, when dry, preferably with mechanical action using a blade or spatula.
