

CORRECTION MICRO ROLLER

MICRO CORRECTION ROLLER WITH MAXI BAND LENGTH OF 8M

PRODUCT DESCRIPTION

Correction Micro Roller with maxi band length. Coloured micro roller for fast, clean and precise correction of printed or handwritten texts. Suitable for almost all types of paper. Can be written on immediately, no drying time and solvent free. Ideal for pencil cases. Available in four different colours. The tape length is 8.0m, the tape width is 5.0mm. The packaging is made of more than 85 % recycled cardboard.

FIELD OF APPLICATION

For printed or handwritten texts on almost all types of paper.

PROPERTIES

- Micro size with maxi band length
- For fast and precise correction of printed or handwritten texts
- Can be written on immediately – no drying time
- Suitable for all types of paper
- With tape level control and tape tightening screw
- Solvent free
- Available in four different colours
- Tape 8.0m x 5.0mm
- Packaging >85 % recycled cardboard

APPLICATION

Directions for use:

Open the cap, place the roller on the position you want to correct and pull it backwards while you press down gently. Can be written on immediately. A loose tape can be retightened by adjusting the tape tightening screw. Close protection cap after use. Can be used at almost any angle, making it also ideal for left-handed people to use.

Stains/residue: Correction tape can be removed from smooth surfaces, when dry, preferably with mechanical action using a blade or spatula.
