

GLUE ROLLER PERMANENT

GLUE ROLLER FOR PERMANENT GLUEING

PRODUCT DESCRIPTION

The convenient glue roller for permanent gluing of paper, cardboard and photos to similar materials and many smooth surfaces. The innovative glue tape with SMART DOT Technology enables a fast, clean and precise application without pulling glue strings. Glues immediately, needs no drying time and is solvent free. With an integrated cap for tape protection and self-standing support, remaining tape length display and a tape tightening screw. The tape length is 9.5 m, the tape width is 6.5 mm. The roller (housing) consists of 100 % recycled plastic and the packaging is made of more than 85 % recycled cardboard.

FIELD OF APPLICATION

Suitable for permanent glueing of paper, cardboard and photos to similar materials and many other smooth surfaces.

PROPERTIES

- Glue roller for permanent gluing of paper, cardboard and photos to similar materials and many smooth surfaces
- Innovative glue tape with SMART DOT Technology for a fast, clean and precise application without pulling glue strings
- instant gluing - no drying time
- without solvents
- roller (housing): 100 % recycled plastic
- with integrated cap for tape protection and self standing support
- tape 9.5 m x 6.5 mm
- with remaining tape length display and built-in tape tightening screw
- Packaging >85 % recycled cardboard

PREPARATION

Surface Requirements: Materials to be glued must be clean, dry and free from dust and grease.

APPLICATION

Directions for use:

Open the integrated cap, position the roller on the material you want to bond and pull it back while you press down. The glue is applied with gentle pressure and the soft, extra wide waltz ensures an even contact pressure and therefore a better application. Then immediately put together the two parts to be glued. A loose tape can be retightened by adjusting the tape tightening screw.

TECHNICAL SPECIFICATIONS

Chemical base:	Acrylate copolymer
Colour:	Transparent (light green)
Consistency:	Solid
Solvent free:	Yes

PHYSIOLOGICAL PROPERTIES

UHU Glue Roller Permanent is physiologically safe.

STORAGE CONDITIONS

Store in a dry, cool and frost-free place.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product. Nevertheless, our Service Department is always at your disposal for any advice needed.
